v.

JOHN E. POTTER, POSTMASTER GENERAL  
Defendant

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION  
COMPEL DEFENDANT TO RELEASE DISCOVERY (portion)

Dear Honorable Judge William H. Alsup:

I have requested for the 3<sup>rd</sup> time since June 11, 2008 for Mr. Simmons to furnish me with the requested information and he said he would have the final Plaintiff's Discovery (portion) by June 25, 2008 so that I can/will prove that the agency singled me out to receive different treatment, they retaliated against me by using fraud to fire me after I complained of hostile working conditions, they tried to cover up their acts of discrimination against my person. I had to make my own trays to put my mail in to deliver but the Asian carriers used the trays for that route, how I was harassed and assaulted on a continues bases by an aggressive co-worker and two supervisors who was put over us and not monitored by the Postmaster or Manager; which violated my civil rights. Please! Your Honor intervene that I may obtain **the dates Driving Observation was performed on the carriers who started when I did: their names are Sam Carey, Phillip Hong, Germil Libatique, Juan Ramirez and Monette Zuasola; when did each carrier complete the route assigned to them from personnel unassisted or any route, this information can be found on the Probation Period Tracking For RCA's.** Darcie Kibodeaux observed me twice and only gave me one observation sheet; but furnished two for the EEO investigation which clearly shows she discriminated against me and trying to make it look like I was mishandling the mail and was driving reckless. Thank you for your assistance in the matter.

Sincerely,

  
Katherine Williams Pro Se
